

District Emergency Operation Center, Chautara Sindhupalchok

Monthly Report, Shrawan 2074

District Emergency Operation Center, Chautara, Sindhupalchok 4-4-2074

Introduction

District Emergency Operation Center, Chautara, Sindhupalchok has been functioning as the major information hub for DRR related activities in the district. It is the body of DAO looking after the DRR and other incidents that occur in the district with close coordination with REOC and NEOC. It collects the information from Nepal Police unit and assurance of information is made from the respective police unit which is further informed to CDO. If there is any disaster (natural and man-made) related information, then those incidents are entered in <u>www.drrportal.gov.np</u> and informed to REOC and NEOC as well. The center has radio room and office room where different disaster related information flex is kept along with the information about LDRMP mapping and MTOT data.

Incidents

With the starting of monsoon season, the occurrence of landslide and flood has been observed in the district. But still the monsoon isn't active due to which big casualties hasn't occurred as of the last month (Bhotekoshi flood). Sindhupalchok faced mostly fire related disasters and road accident. In total of 8 incidents occurred, 4 are road accidents followed by fire from electric short-circuit.

S.N.	Incident types	No. of occurrence	Death	Injured	House damaged	Property loss (NRs)	Shed damaged	Livestock loss
1	Landslide	4	0	2	25	6350000	0	2
2	Drowned	1	1	0	0	0	0	0
3	Death due to sliding from cliff	2		0	0	0	0	0
5	Short circuit	2	2	6	0	135000	0	2
6	 Damaged caused by the burst of hydropower pipe 	1	0	0	3	2831500	4	149
7	Road accidents	1	1	40				

Table 1: Incidents occurred at Sindhupalchok district in Ashad 2074

With the start of monsoon period, the early preparedness is necessary to reduce the loss of life and property due from the inevitable disaster. So, for the early preparedness and to know the status of different government sectoral bodies, DDRC meeting was held on 18th of Ashad 2074. The decisions of the meeting were:

- Providing relief amount NRs. 350000/- and NRs. 300000/- to Jure landslide victim where 9 HHs lost both house and land and 122 HHs who lost their house respectively;
- ✓ Making the relevant government and non-government bodies alert during the monsoon period. Ensuring that Department of Road provides the necessary heavy vehicles in the landslide prone area to clear the landslide and make the movement of vehicle smooth as well as NRCS will have the necessary disaster preparedness items required during the disaster in the district;
- For the improvement of warehouse leading road, coordinating with Chautara Sangachok municipality for the necessary support in strengthen the road quality and construction of drainage system;
- Besides these, DAO and DDWS provided their activities to be approved from DDRC
